## July DIY Crafts and Projects Series by DivineResult7

Let's create! Fun and engaging July DIY crafts and projects series with DivineResult7.

Each week we will have a theme with two projects that are affordable and suitable for all ages. Each project will have the materials and instructions for your convenience. Here's the breakdown:

### ***Week 1 (July 1st-7th): Nature-Inspired Creations***

#### **Project 1: Pinecone Bird Feeders**

**Materials:** Pinecones, peanut butter, birdseed, string.

#### **Instructions:**

1. Tie a piece of string to the top of the pinecone.
2. Spread peanut butter all over the pinecone.
3. Roll the pinecone in birdseed until fully covered.
4. Hang the bird feeder outside and watch the birds enjoy their treat!

#### **Project 2: Painted Rock Garden Markers**

**Materials:** Smooth rocks, acrylic paint, brushes, sealant.

#### **Instructions:**

1. Wash and dry the rocks.
2. Paint designs or the names of plants on the rocks.
3. Let the paint dry and then apply a sealant.
4. Place the markers in your garden.

***Week 2 (July 8-14): Upcycled Art***

**Project 1: Bottle Cap Magnets**

**Materials:** Bottle caps, small photos or designs, glue, magnets, clear resin or Mod Podge.

**Instructions:**

1. Cut out small photos or designs to fit inside the bottle caps.
2. Glue the photos/designs into the bottle caps.
3. Cover with clear resin or Mod Podge and let dry.
4. Attach magnets to the back.

**Project 2: T-Shirt Tote Bags**

**Materials:** Old t-shirts, scissors.

**Instructions:**

1. Cut off the sleeves and neckline of the t-shirt.
2. Turn the shirt inside out and sew the bottom hem together.
3. Turn the shirt right side out again to create a tote bag.

***Week 3 (July 15-21): Summer Fun Crafts***

**Project 1: DIY Sun Catchers**

**Materials:** Clear plastic lids, colored tissue paper, glue, string.

**Instructions:**

## July DIY Crafts and Projects Series by DivineResult7

1. Cut tissue paper into small pieces.
2. Apply glue to the inside of the plastic lid and place tissue paper pieces to create a mosaic.
3. Let it dry, then punch a hole at the top and add a string to hang in a sunny window.

### **Project 2: Homemade Sidewalk Chalk**

**Materials:** Plaster of Paris, tempera paint, water, silicone molds.

#### **Instructions:**

1. Mix plaster of Paris with water and tempera paint.
2. Pour into silicone molds and let it set.
3. Once dry, remove from molds and start drawing on the sidewalk!

### ***Week 4 (July 22-28): Indoor Relaxation Projects***

#### **Project 1: DIY Scented Candles**

**Materials:** Old candles or candle wax, wicks, essential oils, small glass jars.

#### **Instructions:**

1. Melt the old candles or wax in a double boiler.
2. Add a few drops of essential oil to the melted wax.
3. Place a wick in each jar and pour the melted wax in.
4. Let it cool and set.

#### **Project 2: Personalized Coasters**

**Materials:** Cork coasters, acrylic paint or markers, sealant.

**Instructions:**

1. Decorate the cork coasters with paint or markers.
2. Let the design dry and apply a sealant.
3. Enjoy your personalized coasters with your favorite drink!
